Subject: Traffic Jam Problem Near Temple.

Sir / Madam,

Through columns of your renowned newspaper, I wish to highlight the problem of daily traffic jams near the temple crossing.

Our school bus gets stuck there every morning, and we reach school at least fifteen minutes late. This not only affects our studies but also causes stress among students. The main reason is poor traffic management and encroachment by vendors near the crossing. I request the concerned authorities to deploy traffic police during peak hours and remove illegal encroachments. A flyover or proper signals can also help in reducing congestion.

I hope this issue will be taken seriously and solved at the earliest.

Yours sincerely,
Alankrit
